

# The Original RIBBON® Rack

IDSA National Design Award Winner  
Permanent Design Collection - MUSEUM OF MODERN ART

## **Ribbon® Rack Painting Instructions**

We recommend using an outdoor spray paint called Krylon. It is available in a wide variety of colors and can be found in just about any home improvement or hardware store.

Clean surface to be painted with vinegar solution, removing all dirt and grime. Rinse off, dry thoroughly and apply paint directly to galvanized surface. Using a spray paint will allow the top coat to be seamless with the previous coats. Maintain surface as needed.
